WESTERN AVE.

It's Your Move . . .

FRESHMEN, IT'S YOUR MOVE . . .

. . .the first giant step into a confusing world crammed full of schedules, clanging bells, changing classes, double stairways, and wondering how to get from that basement class to the cafeteria without collapsing on the way. And there is always, inescapably, that realization that no matter how hard you try to "age" yourself, *someone* is going to be around to grin and yell, "Hey, frosh!"

SOPHOMORES, IT'S YOUR MOVE . . .

. . .into a more mellow, mature world of experience. You no longer need to ask for directions to your next class; you're learning to master the art of using the right stairway; and you're finding the proper classroom without looking up more than four times. No longer a child, you face a dazzling array of clubs, activities and programs. Terrific! But, you still have to take gym!

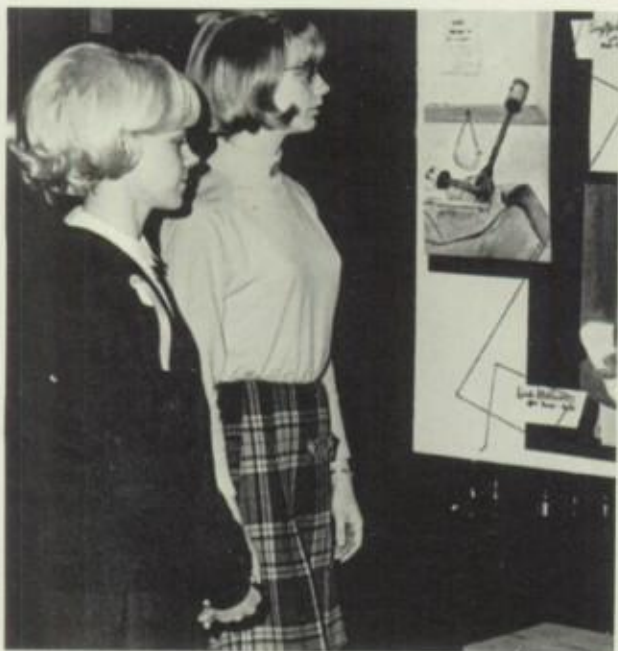

JUNIORS, IT'S YOUR MOVE . . .

. . .You even know your way around the manual building. And you're now sitting on the "right" side of the field house during mass meetings. You begin to feel that you're really part of a class—you have officers to elect, committees to join; you order your class ring and try out for the class play. Everything is moving and seems exciting. But suddenly the work has become harder, much more is expected of you, and for some, the strain becomes too much to endure.

SENIORS, IT'S YOUR MOVE . . .

. . .And, it's the last year. Every move has to be considered carefully because it's the last time you'll be playing *this* game with *this* team. Some of us feel that now is the time to relax, to save that extra effort until the move into "bigger and better things" of after-graduation life. Others, however, feel the urgency of these last days. They can't help feeling that although they, too, eagerly await graduation day, there's more to being in school than just enduring the drudgery of homework and the wonder of learning. There are so many things to remember about the past years of school, special school days—football games, basketball games, mass meetings, speeches, movies, programs—times that make the years complete. There are twelve long years of schooling behind you; they were the beginning, a preparation for a whole new phase of your life. Throughout these years, there have been many decisions, many moves you've had to make. Now, as seniors, you have one final move—and you must make it on your own. It's another first, another step into a new world—AND, IT'S YOUR MOVE!

Probably few people fully realize the complexities of Mr. Martin's job. It has been varied and time-consuming, including such diverse activities as levy campaigns, magazine drives, cowboy round-ups, mass meetings, auditorium programs (both during and after school hours), publications consultations, club supervision, stationery store management, and all those other duties involved in being of general assistance to the principal. He has worked under, and with, all three of Libbey's principals—Mr. Williams, Mr. Rusie, and Mr. Foltz—and has been of invaluable assistance to all three.

Someone else will be performing these duties next year, because after forty years of work in the public schools of Ohio, Mr. Martin has made the move to retire, and, in this move, Libbey must lose.

A Libbey graduate in 1924, Mr. Martin received his bachelor's degree from the University of Toledo in 1928. His first job was at Grand Rapids, Ohio, where he served in turn as seventh grade teacher, athletic director, and principal of the high school. Toledo hired him in 1934 and placed him at Libbey. Since he had been student athletic manager here in high school, it was natural that Libbey should utilize his abilities in this area. He has been field and equipment manager, athletic director, and finally, he was named Assistant Principal in charge of Activities. A few years ago, students who have worked with Mr. Martin over the years in the Activities Department, wishing to express their esteem, gave him a testimonial dinner and presented him with a portrait, an extraordinarily good likeness done in oil.

Outside activities are numerous, among them the church and the Masonic Lodge. He has been a member of Eastminster United Presbyterian Church since being baptized as a small boy, and has taught Sunday School classes, served as young people's advisor, congregational chairman, trustee, elder for more than twenty-five years, and clerk of the session.

The Masonic Lodge became a part of Mr. Martin's life in 1929, when he became a member at Grand Rapids. Interest in the Scottish Rite followed under the sponsorship of Mr. Williams, Libbey's first principal. Because of his active participation, Mr. Martin was selected to receive the honorary 33rd Scottish Rite degree in Chicago in 1961. Subsequently, he was given a testimonial dinner at Grand Rapids Masonic Lodge.

He is looking forward to a more leisurely pace after June, but idleness is not a part of his plans. Work on his properties, more time spent with his family, including six grandchildren, church work and extensive travel will keep his life vital and satisfying.

Libbey will revere him for

"That portion of a good man's life—His little, nameless, unremembered, acts of kindness and love."

Mr. Frank Dick, Superintendent of Toledo Public Schools.

To the Class of '69 at Libbey High School:

You have had the privilege of being in high school during challenging times, and this experience should prepare you for the greater challenge you will meet after you are graduated.

My congratulations to all of you who will receive diplomas from Libbey this year, and congratulations also to a fine administrator, Charles R. Martin, whom you are honoring in the dedication of this year book.

Mr. Martin has been a part of Libbey for so many years that it is hard to think of the school without him. He deserves the fine tribute you have accorded him as he retires.

It is my hope that you will be loyal Libbey alumni, always interested in your school, always eager to help a student as your parents and friends have helped you; always interested to see that your city has good schools. It is an honor to be a Libbey graduate; it is a responsibility to be a good citizen. My best wishes to all of you.

Sincerely,

Frank Dick

Frank Dick

Toledo Board of Education: Arthur L. Zeph, Pres.; William N. Thomas, Vice-Pres.; Mrs. Maude Shapiro; Richard C. Duffy; Edward S. Foster, Jr.

Seniors of Libbey, it is truly your move! You alone must decide whether you will go on to college, become a part of the armed services, or enter the ranks of the job-holding. We at Libbey believe you have what it takes to succeed if you don't give up when some moves turn out to be wrong ones. There are many avenues open to you today, and if you are "checkmated" in one endeavor, remember there are alternative ones.

In this year when our astronauts have gone to the moon, the possibilities for participation in great things are unlimited. The less-than-perfect conditions in the world—the Vietnam war, the Middle East crisis, poverty and crime in this country—cry out for solutions, and your generation must have the idealism and the courage to cope with these problems.

In whatever area you choose to participate, we hope for you a good life; and remember to be as proud of Libbey as Libbey is of you.

"In one sense there is no death. The life of a soul on earth lasts beyond his departure. You will always feel that life touching yours, that voice speaking to you, that spirit looking out of other eyes, talking to you in the familiar things he touched, worked with, loved as familiar friends. He lives on in your life and in the lives of all others that know him."

Homecoming spirit was sparked by the brisk sunshiny November morning's decisive victory over Woodward.

.....An Autumn Night to Remember.

The 1968 Homecoming dance could hardly be forgotten. Students agreed that it was the best ever: the "Soul Sensations" supplied the background of music; decorations in their autumn hues provided a romantic atmosphere; and the large friendly crowd were in a gala mood.

Reigning over the festivities was the 1968 Homecoming queen, Ramona Stubblefield, and her court. Attendants were Cindy Armstrong, Patsy McIntire, Sheila Sigler, and Debbie Wade.

The Queen and her attendants: Sheila Sigler; Cindy Armstrong; Libbey's Queen, Ramona Stubblefield; Patsy McIntire; Debbie Wade.

The crown is on, and the tears are flowing as last years' Queen, Evonne Jaynes, congratulates Ramona.

Activities

Student Council

Under the leadership of their new advisors, Mr. Normant and Miss Ohneck, the Student Council this year has truly assumed a position of leadership at Libbey; they have made every effort to fulfill their purpose, to represent the Libbey student body. They have discussed Libbey problems and helped to determine policy as a part of the Student-Faculty Committee. They have participated in an exchange visiting program with other high schools in the area to promote better understanding and sportsmanship. A continuing consideration is being given to the possible revision of Libbey's constitution to provide for more student involvement.

They had charge of preparations for Homecoming; they organized the sophomore ring committee; they arranged to have Libbey's flag represented at the new skating rink at Ottawa Park; they sponsored the freshman tag dance in September, and participated in various money-making and spirit-boosting projects; they participated in Toledo Area March of Dimes.

Debbie Wade represented Student Council in this year's Toledo Area Student Council Dance.

National Honor Society

The National Honor Society has successfully completed another year. Under the direction of Mr. Norris, they strove to promote academic excellence. Members are chosen on the basis of scholarship, leadership, character, and service.

As a guest of National Honor, Dr. Julian Bond, Vice-President of Bowling Green University, spoke to Libbey students. The Society sponsored a program called "Dream Girl." During January, they visited the Roger's High School Planetarium, for an interesting program.

A bake sale, a tag sale, and a car wash were held to augment the treasury.

OFFICERS: Janice Fritts, sec.; Jeff Hancock, pres.; Yvonne Cobb, treas.; Guy Spann, vice-pres.

"Gee, what a strange piano!"

"That's Mr. Robinson?!!"

Edelian

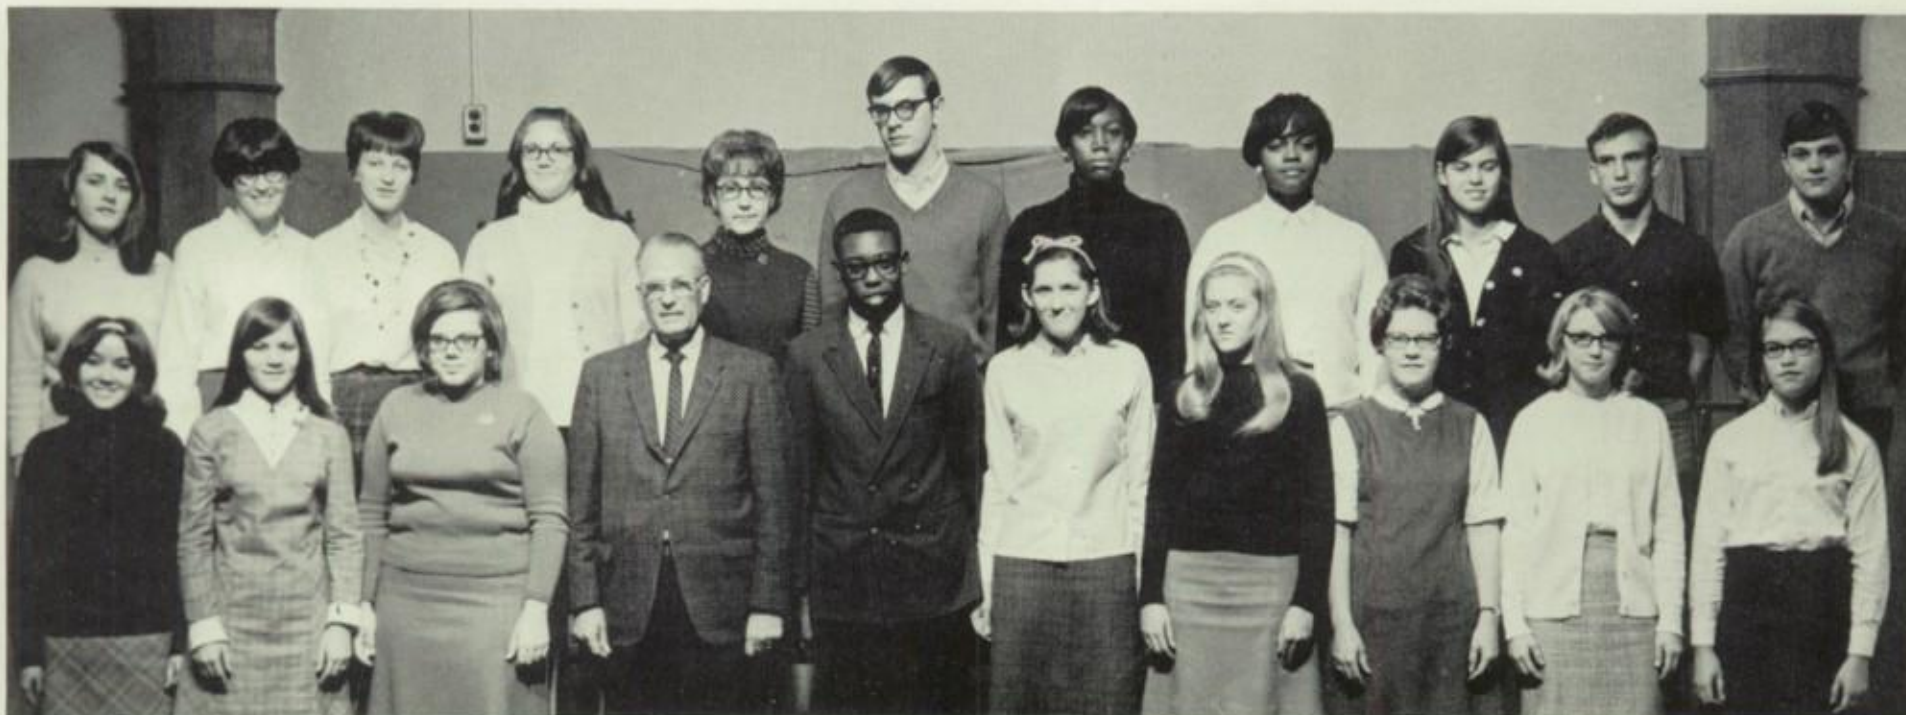

The designing and production of a good yearbook requires much planning and hard work. This year's *Edelian* staff, with the guidance of Mrs. Jean Hunsaker, tried to produce a yearbook that the faculty and student body alike would be proud to own.

Months of researching, planning and designing went into the preparation of each section, and the students spent many hours checking and re-checking pages of material before its final trip to the printer.

To Mr. Martin, who has for many years helped in so many ways, the *Edelian* staff wishes a happy retirement. Thank you, Mr. Martin.

EDELIAN: Row 1: Linda Kimble, Debbie Wade, Janean Carothers, Mr. Martin, Wayne Henderson, Pat Laster, Sheila Sigler, Cheryl Hetzer, Carol Krueger, Patty Sauers. Row 2: Martha Goldstein, Nancy Dauer, Denise Krolik, Regina

Tom Washer, Ron Orzechowski, Ken Carter, Margo Oliver, Mrs. Nancy Engler, Ron Barnett, Forest Whitney, Ernie Wilson, Tommy Stewart.

Crystal

Through the efforts of an excellent staff, the *Crystal* has become more than just a newspaper. It has become an "airing board" of student opinion on issues and events affecting the welfare of Libbey students.

Under the capable and imaginative guidance of Mrs. Nancy Engler, the *Crystal* has done a fine job of relating the many activities of Libbey.

The journalism class, many of whom are also in *Crystal*, this year started a new publication popular with the students called the *Scoop*.

The *Crystal* class celebrated a successful year with an end-of-the-year picnic.

"You just glued my finger to first page!"

"Disregard the fine print. . ."

OFFICERS: Mr. Pelwicki, advisor; Guy Spann, pres.; Donald Rolf, v. pres.; Norm Gansmiller, sgt. at arms; Floyd Carter, treas.; Jack Williams, sec.

Quorum Service Society

Quorum is one of the most active clubs at Libbey. Under the leadership of Mr. Pelwicki, the Quorum has lived up to the purpose of their club, "Service to the school and community."

They sponsored a homecoming queen candidate. A bake sale after school raised money for club activities. They had a spring roast.

Members of this club have made themselves useful around school this year, even helping to move cafeteria tables. Participating in a community project, they sold papers during the Old Newsboys paper drive.

QUORUM SERVICE SOCIETY: Row 1: Sherman Smith, Bruce Taylor, Galen E. Fries, Gerald Holman, Norm Gansmiller, Robert Malone, Leroy Smith. Row 2: Herbert Sandridge, Donald Rolf, Mr. Pelwicki, Ron Barnett, John Morse,

Periclean Literary Society

The girls of the Periclean Literary Society, with the aid of Miss Pasch, their advisor, have been very busy this year. Besides the usual Tri-Lit activities (the banquet and dance at the end of the year), the installation of officers and induction of new members, the Peries participated in the painting of the girls' lavatories; organized pie sales for Thanksgiving and for Washington's birthday; sold "Lick 'Em Cowboys" suckers; sold tags before games; and had bake sales.

Peries have worked hard to make "Service" (their purpose) and "Second to None" (their motto) apply during this year at Libbey.

OFFICERS: Marinette Jones, sgt-at-arms; Sharon Buckhaultner, chapl.; Linda Foster, reporter; Nancy Boerst, treas.; Sheila Sigler, president; Linda Kimble, vice-president; Cheryl Hetzer, sec.; Linda Henley, historian.

Philalethean Literary Society

Under the guidance and direction of their advisor, Mrs. Oeschle, the Phils have had another successful year.

Among their activities this year were tag and bake sales, the traditional Sadie Hawkins dance, the decorating of the cafeteria at Christmas-time, and helping to boost school spirit with posters and bulletin boards. Along with the other "lits", the girls of the Phils painted the girls' restrooms.

The annual induction of new members was held in January, and in May the Phils closed the year by joining the Peries and Zets for the Tri-Lit banquet and dance.

Zetalethean Literary Society

The girls of the Zetalethean Literary Society can look back on their accomplishments this year with pride. As they do each year, they sold senior name cards. They helped boost school spirit by maintaining Zet Zeke, by decorating bulletin boards and by making posters. In an effort to build pride in their surroundings by all Libbey girls, the Zets, in cooperation with Phils and Peries, painted the three girls' restrooms in attractive combinations of colors.

They gave a Christmas party and a Valentine party for the children of Miami Children's Home.

Near the year's end, Zets joined the other literary societies for the Tri-Lit banquet and dance.

Their advisor, Mrs. Engler, continues to provide the leadership necessary for an active, effective club.

“Der Deutsche Verein”

The purpose of the German Club has been to better understand the culture of the German people.

Members of the German Club participated in the annual spring and fall roasts and the Christmas party at St. Lucas Church. Among the annual events were the induction of new members held in February and the spring banquet in May. As money-making projects, the students sold Christmas candles during the holidays and took part in the sale of tags for school games. Also, the German Club hosted an exchange student from West Germany on a tour of Libbey.

Under the watchful eye of the advisor, Miss Loehrke, *Der Deutsche Verein* has had another successful year.

“Le Cercle Francais”

The purpose of this club is to develop and promote interest in the French language and culture.

Le Cercle Francais has had many interesting and informative programs this year. Miss Ohneck lectured on her teaching experiences in Tunisia and showed slides of the country. There were also programs featuring French-speaking people from the International Institute.

They organized such activities as an after-school Christmas party, the induction of new members in January, and the end-of-the-year banquet.

Mrs. Taylor and Mr. Bick, the advisors, have led the French Club through another active year.

Libbey Classical League

Under the supervision of Mr. John Dillon, the Latin Club strives to promote interest in the classics, fine arts, and ancient history. The motto of the club is "Scientia Arx Saeculorum".

This year the club held a party for a group of children at the Miami Children's Home.

They held several picnics during the year and ended their activities with a Roman banquet in the spring.

“La Alianza Espanola”

Under the sponsorship of Mrs. Joan Kopper, the Spanish Club has learned more about the culture of Spain.

They had a Christmas party in December; a bake sale, with amigos doing the baking, earned money for club activities.

The Club toured the Art Museum, with primary interest in the Spanish art exhibits.

Speech and Drama Club

Another organization, the Speech and Drama Club, is in its second year at Libbey. The purpose of the club has been to help the members realize the importance of public speaking and drama and to promote good human relationships through understanding of ideas, opinion, and facts.

Activities of the club have included a spring picnic at Oak Openings and visits to college campuses.

With the guidance of the advisor, Mrs. Oechsle, the Speech and Drama Club should develop into one of the most effective clubs at Libbey.

Palette and Craft Guild

This has been quite a year for the Art Club. At Christmas, the Art Club sponsored both the door decorating contest and the Toys for Tots campaign. They have had numerous displays including those of signs, posters, rugs, sculpture and camper models. These were located in and around school to boost school interest in art creativity.

At the Scholastic Arts Exhibit at Lamson's held in January, thirty per cent of Libbey's artists won prizes. Top prizes went to Cathy Sancrant, whose jewelry entry will compete in New York; Cathy Jones; Debbie Bays; Pam Nagel; Jim Young; and Carol Noonan.

Mr. Darrell Dunlap is the advisor the Palette and Craft Guild.

Choir

"To produce and enjoy good singing" is the purpose of the choir and, by looking at their schedule of appearances, one can see that Libbey's choir has outdone itself this year. Aside from school performances at Thanksgiving and Christmas, and for the P.T.T., the Choir has sung for audiences at Faith Lutheran Church, Somerset Methodist Church, the Lucas County Courthouse, and the High School Music and City-Wide P.T.A. Festivals. Under the direction of Mrs. Danner, the Choir has again given pleasure not only to Libbey but also to many other groups as well.

Orchestra

The orchestra under the direction of Mr. David Kohler, completed a successful year. In connection with the band, they played at feeder schools to arouse prospective students for next year. They also provided string music at the formal concert in April and the Pops concert in late May.

Pep Band

Providing half-time entertainment at games and music for mass meetings has been the duty of Libbey's Pep Band. Composed of fifteen members of the marching band, the Pep Band has worked hard this year to find and play music that would both please and entertain the students of Libbey.

The Pep Band has earned Libbey's appreciation and can be proud of their fine efforts.

Band

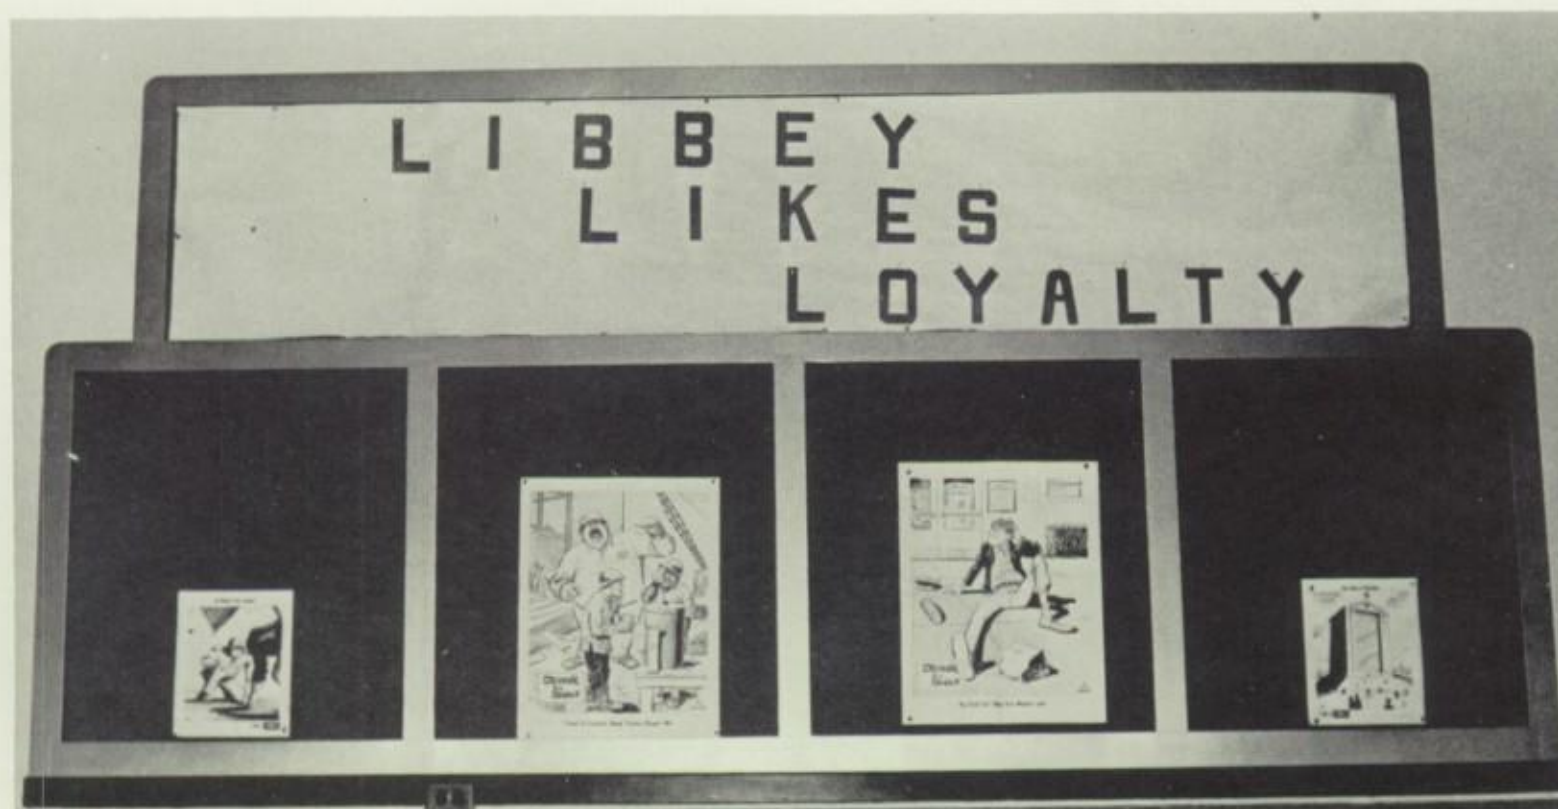

Our band under the guidance of Mr. David Kohler completed another successful year. The band played at football games in the fall. The entertainment they provided was spirited and enjoyed by all.

In December, they performed in a Christmas parade downtown. They also performed in the International Festival parade.

Before Spring vacation, the band went to feeder schools to provide music and arouse interest in the students that will be coming to Libbey next fall.

The band presented a formal concert in April to the students and faculty and an evening performance.

A pop concert ended the year in May.

To promote greater understanding and appreciation of the Bible in general and to give special observance to the Ten Commandments as a way of life is the purpose of Libbey's Bible Club.

As their program of study, the Bible Club began in December to plan small programs each week, religious in nature. A monthly quiz was given on the "chapter of the month". They arranged for debates on certain segments of the Bible with Scott and other high schools, and they arranged for guest speakers from various religious groups. Not forgetting their social obligations, they donated two food baskets to local people at Thanksgiving and Easter; they used their spare time after school and on Saturdays to help such organizations as the Goodwill Industry, the March of Dimes, and other civic projects. They sent cookies to boys in Vietnam at Christmas, and made contributions to help alleviate conditions of the poor in Marks, Massachusetts. The annual banquet, bake sales, car washes, and a skating party were other activities.

Mrs. Hill and Mrs. Lewis are advisors to the Bible Club.

Future Teachers of America

The FTA has maintained the purpose of their club—to introduce students to the profession of teaching—by sponsoring several interesting programs of speakers. Included among these were a speech by a former FTA member, Mrs. James Erskine, on the topic, "Education for Handicapped Children", and one by another speaker on the New Education. Libbey's FTA attended the Metro-Future Teachers of America meeting and later reciprocated by playing host to the group here at Libbey.

They handled their traditional book cover sales and bake sales; they served as guides at Libbey's Open House; and they sent holiday baskets to needy families.

FTA advisors, Mrs. Pritchard and Miss Kinney, have helped to make the FTA activities this year worthwhile.

These projects included a candy sale in October, a potato chip sale, and the sale of items from the Tom Watt Kit.

They filled and presented a Christmas food basket to a needy family.

Members of FBLA had an opportunity to participate in various sports activities, and they formed a bowling league.

Future Homemakers of America

The overall goal of the FHA is to help the individual improve personal, family, and community living, now and in the future. Their motto, "Toward New Horizons", is illustrated in the FHA's variety of work programs and social events this year. Besides the annual candy apple sale and mum sale, the FHA organized several holiday events, including the preparation of a Thanksgiving food basket, a Halloween party for Tots, a Christmas party and a Valentine Sweetheart's party. Other events were the Banquet for Mothers, a trip to the Columbus Convention for one of the members, and a display of clothing from Singapore, with Mrs. Tice as speaker. Under the direction of the advisors, Mrs. Thomas and Mrs. Price, members of FHA have good reasons to be proud of their accomplishments this year.

Distributive Education Clubs of America

DECA is one of Libbey's newer clubs, and the freshness of its ideas is shown in the variety of activities DECA planned this year. In keeping with the purpose of the club—to develop leaders in marketing and distribution—DECA organized several trips. Besides the trip to Bowling Green for the District Conferences, Libbey's DECA members made trips to J.L. Hudson's in Detroit and to the Foodtown warehouse. During the holidays, they contributed a Thanksgiving food basket. DECA has also been publishing its own newsletter this year.

Mr. Nahra is advisor to this group.

Activities Aides

With their home base in room 107, the students who work in the activities office have many duties. They operate the stationer's desk; they distribute activities tickets; when the photographer comes to take underclass pictures, Mr. Martin and his aides are there helping the *Edelian* staff; at the end of the year they distribute the *Edelians*. They work behind the scenes during movies, plays and other scheduled auditorium activities.

Libbey Leaders

Under the supervision of Mrs. Zeigler and Mrs. Scott, girls' physical education teachers, the Libbey Leaders carry out a busy schedule. Wearing a special uniform to distinguish her, a Libbey Leader assists in gym class, doing everything from the "office" work of taking attendance and running errands, to helping the teachers with drills and games during her assigned class period. All the Libbey Leaders have given up their study periods to work in the gym, and the smooth-running physical education classes are a tribute to the efficiency to these girls.

Lariat-ettes

In striving to fulfill its purpose of promoting school spirit in athletic activities and in an effort to be examples of its motto—Libbey Likes Loyalty—the Pep Club organized several events and work programs of interest this year. The Pep Club has had practice sessions with the cheerleaders and has attended out-of-town football and basketball games as a group. They sold pep ribbons during football and basketball seasons and publicized the game schedule by making poster advertisements.

A Libbey Round-up Dance was planned for November and they had a bowling party in the spring.

Mrs. Thomas and Mrs. Price, the advisors, have led the Lariat-ettes through another year of loyalty and spirit for Libbey.

Coach Spice . . .

This year our team won many fine honors for Libbey: blue league champion, city league champion, sectional champion, district champion, regional champion, and state semi-finalist. Our record this year was 24 wins—2 losses. Our teams have broken every city league offensive record and many district, regional, and state records. Libbey floored a team, this year, that was considered the finest disciplined team, offensively and defensively, that ever played in St. John's Arena.

Coach Spice has exceeded every possible coaching record in the area. He coached three All-American High School players and may possibly add Abe Steward and Eddie Trail to his impressive record.

And, this year, Coach Spice is leaving.

"As basketball coach of Libbey, I have always felt an obligation to the community, the school, and the sport; that is to receive young men blessed with certain talents, to help them develop these talents to the maximum, and

Champs

return them to society a better player and person." Mr. Spice's real milestone was a highly disciplined team of fine character.

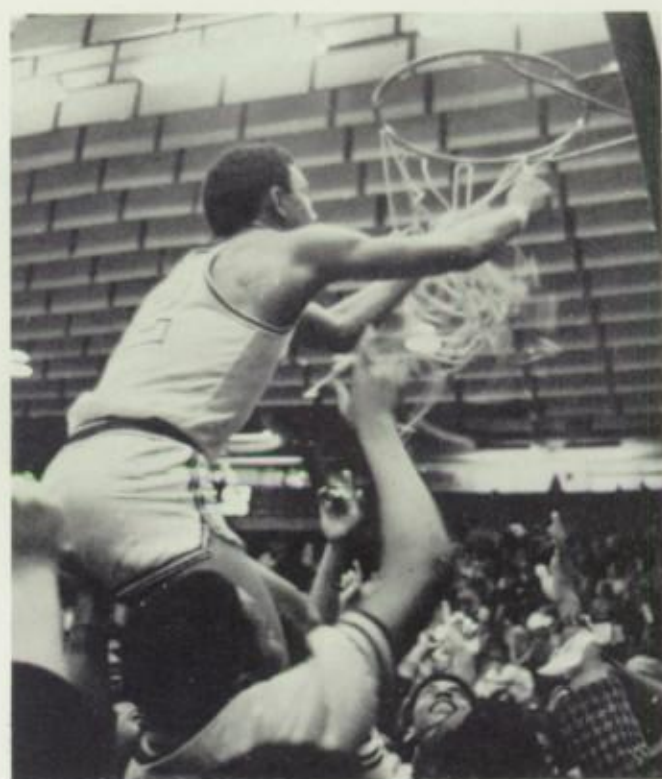

"My goals have been achieved; there is really nothing more to be accomplished. I will be pushing on to bigger and newer challenges. But always, it will involve working with young people."

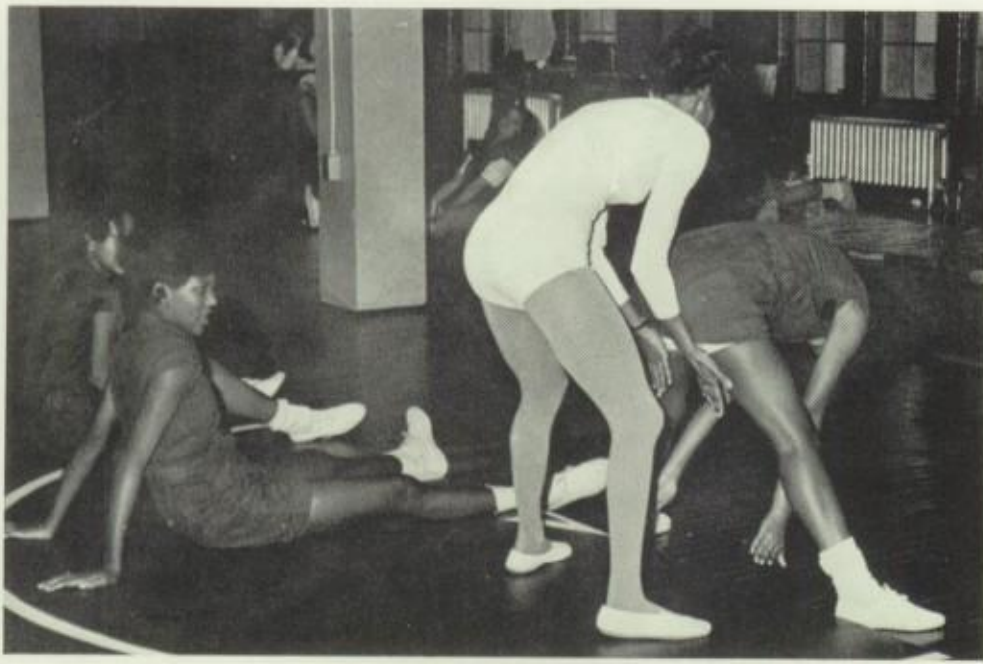

Libbey's team this year includes the kinds of young men which can't escape being associated with strict discipline and sincerity of purpose. They played with confidence and power as well as articulation.

The players realized that they had to continually improve. They did a marvelous job of working together and concentrating at basketball like so many things in life.

"Their conduct, attitude, and performance on the court is an indication of the type of character they possess."

to the new graduates

As parents, neighbors, and friends
we naturally have a special interest in
the quality of our schools.

No community is better than its schools,
and no school is better than
the determination and willingness
of a community to support
standards high enough and broad enough
to meet tomorrow's levels of need,
both vocationally and for citizenship.

"Goodness! I haven't substituted for over twenty years!"

If you're curious about Fiberglas* just ask a quarterback. Or a racing driver. Or a professional golfer. Or a marine engineer. Or practically anybody. We figure about 30,000 better ways have been found to use Fiberglas products and materials to replace steel, wood, aluminum or cloth. If you want to help find better uses for Fiberglas, and have a challenging career, keep us in mind.

a Great Name in Glass

TOLEDO 2, OHIO

What a wonderful Open World

Have you noticed schools like this on your travels? Probably, because new buildings are springing up everywhere. They are beautiful and functional structures with large glass areas to create an "open-world" atmosphere to eliminate the feeling of being boxed in.

Wherever you live, work, shop or travel, you'll find L-O-F Glass making it more enjoyable. In homes, motels, schools and stores. In offices and factories. In hospitals and churches. In cars, buses, trains and planes.

There's an L-O-F Glass that insulates windows. It's called *Thermopane*® insulating glass. Another subdues sun heat and glare. L-O-F Glass that makes automobiles safer. L-O-F Glass to do a thousand things.

And when anyone needs glass, there's an authority on it nearby—your local independent L-O-F Glass Distributor or Dealer. His name is in the telephone book Yellow Pages under "Glass". Call him.

Laboratories, shops and studyrooms are separated from twin classroom buildings by a broad, central court, Ithaca Senior High School, Ithaca, N.Y. Architects: Perkins & Will, White Plains, N.Y.

Cowboys converge!

You can't win them all!

Cowboys smother Woodward player for a four yard loss.

Libbey player fights for inches in the clutches of St. Francis.

Gordon McIntosh tries to elude two Tigers.

Warm up exercises prepare them for a hard day of practice.

A present for our wonderful coach

That's a Bozo no no!

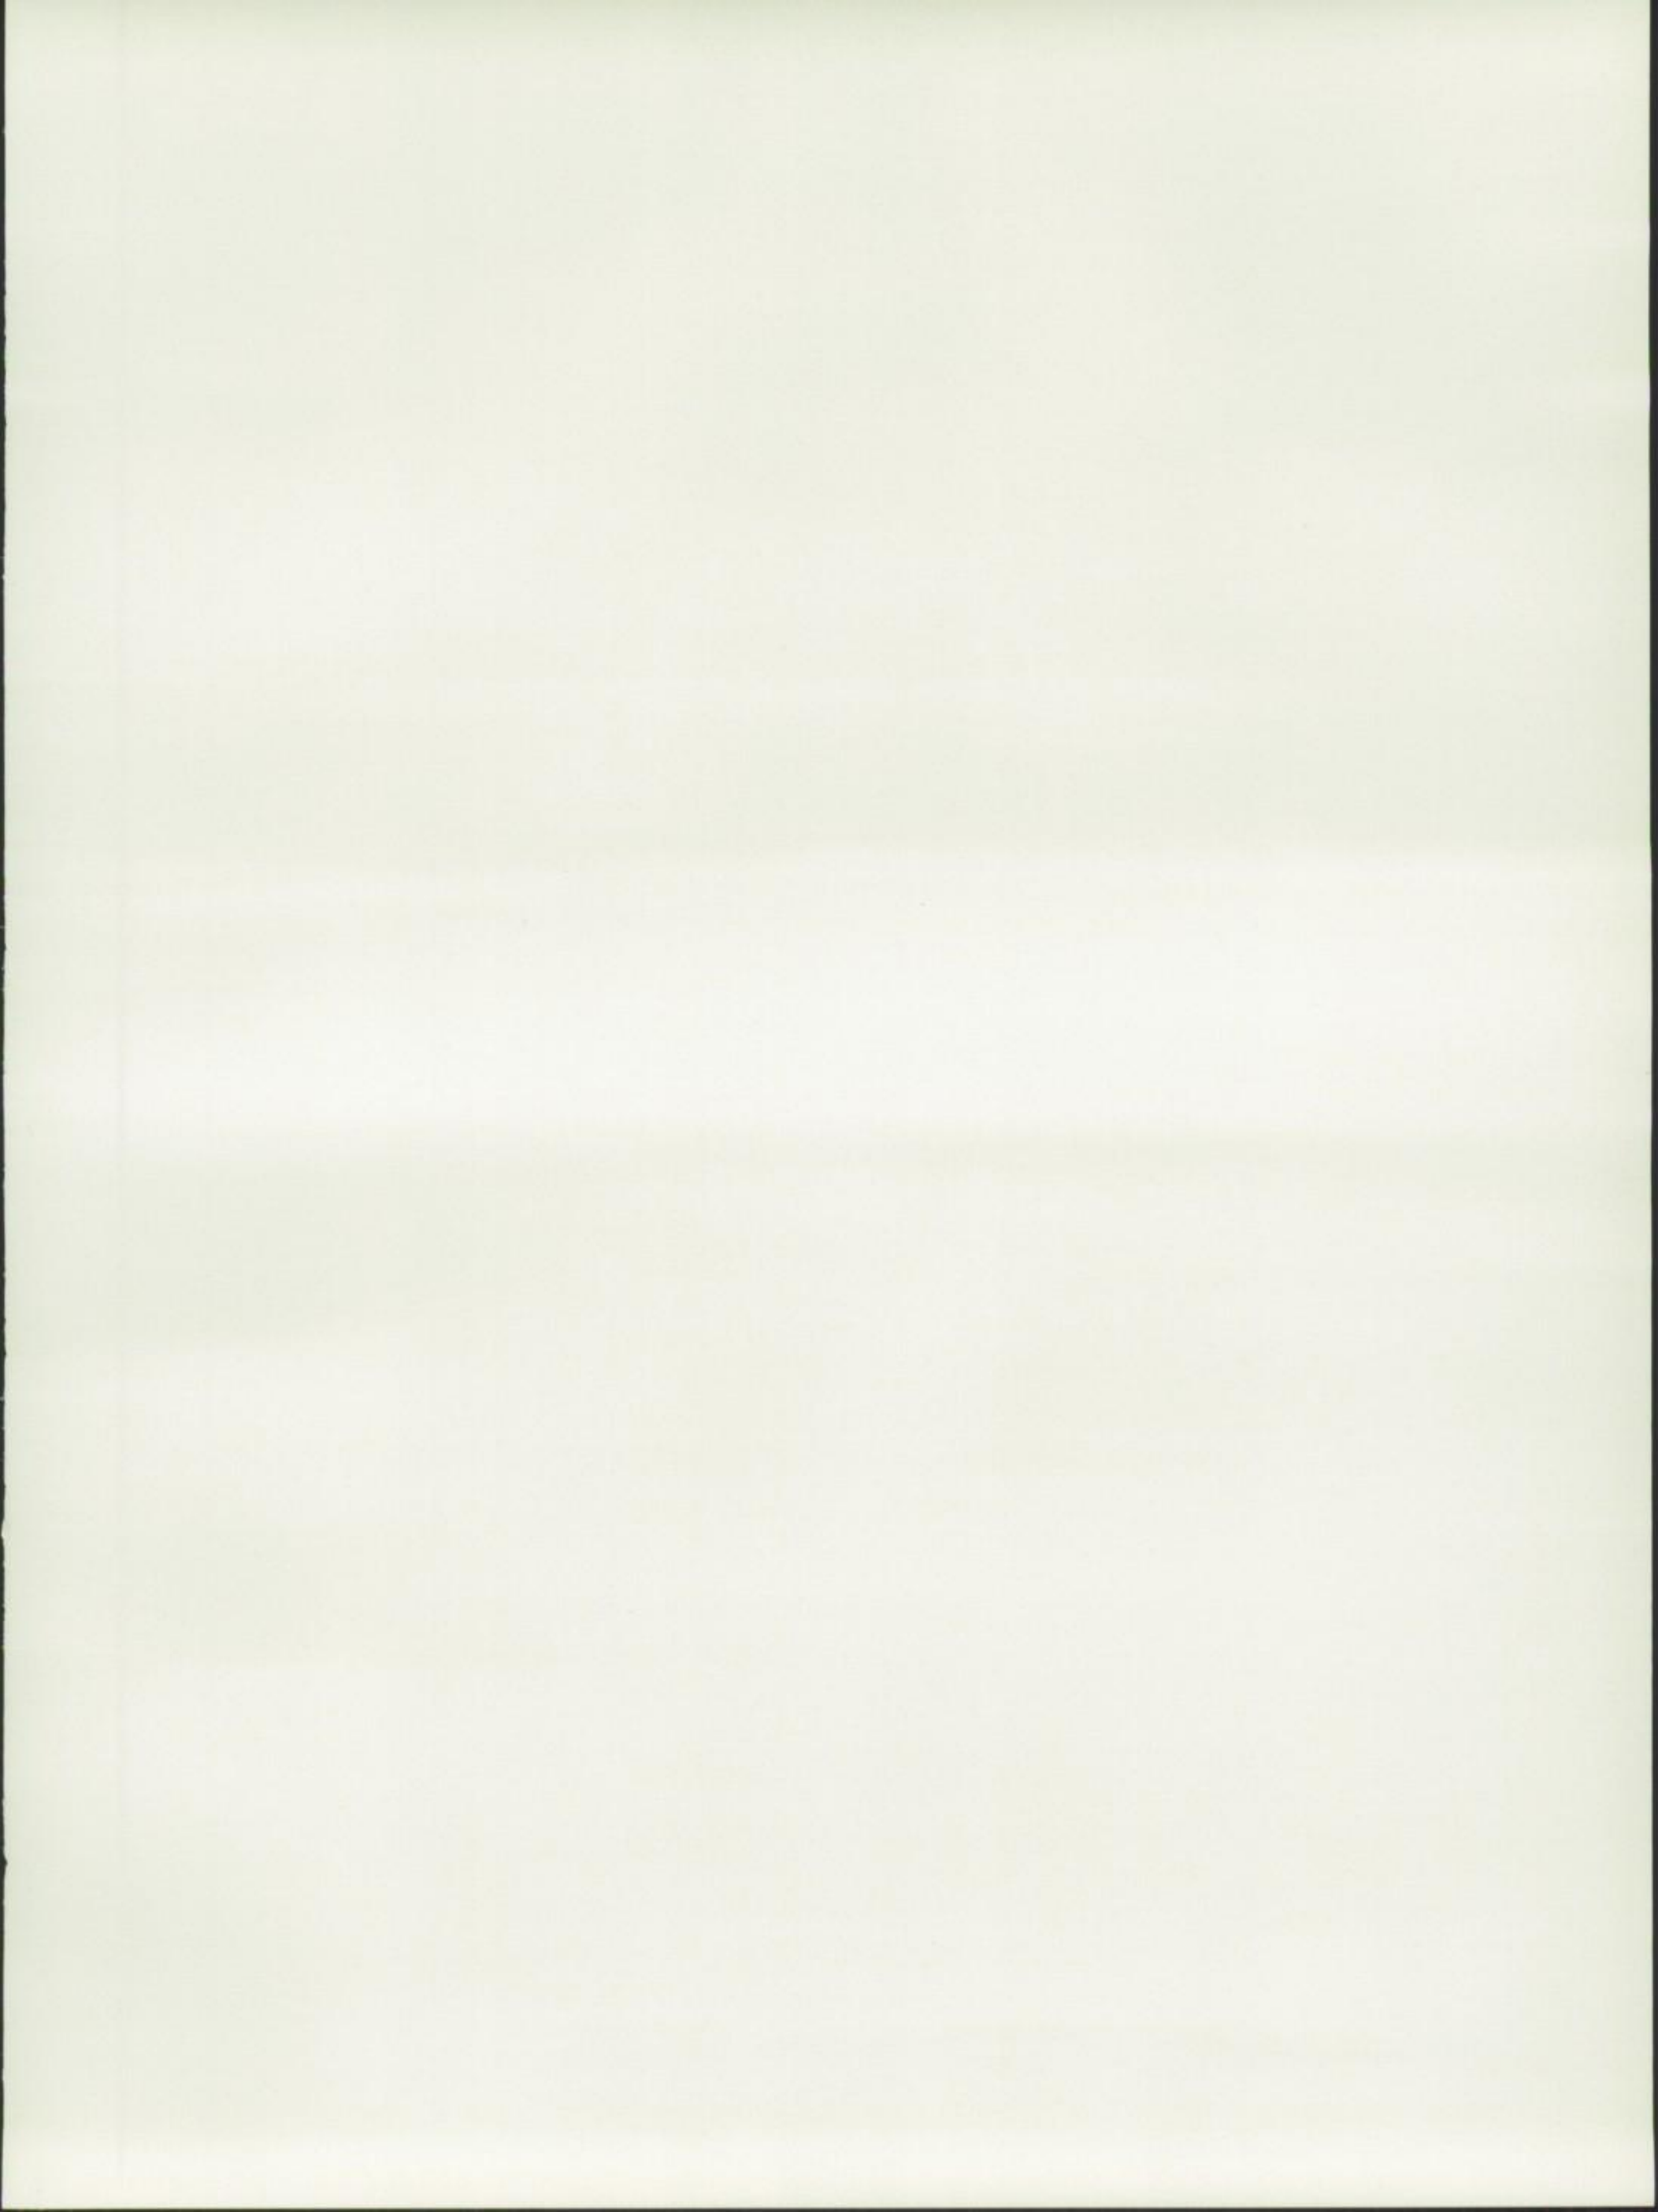

Another day, another...

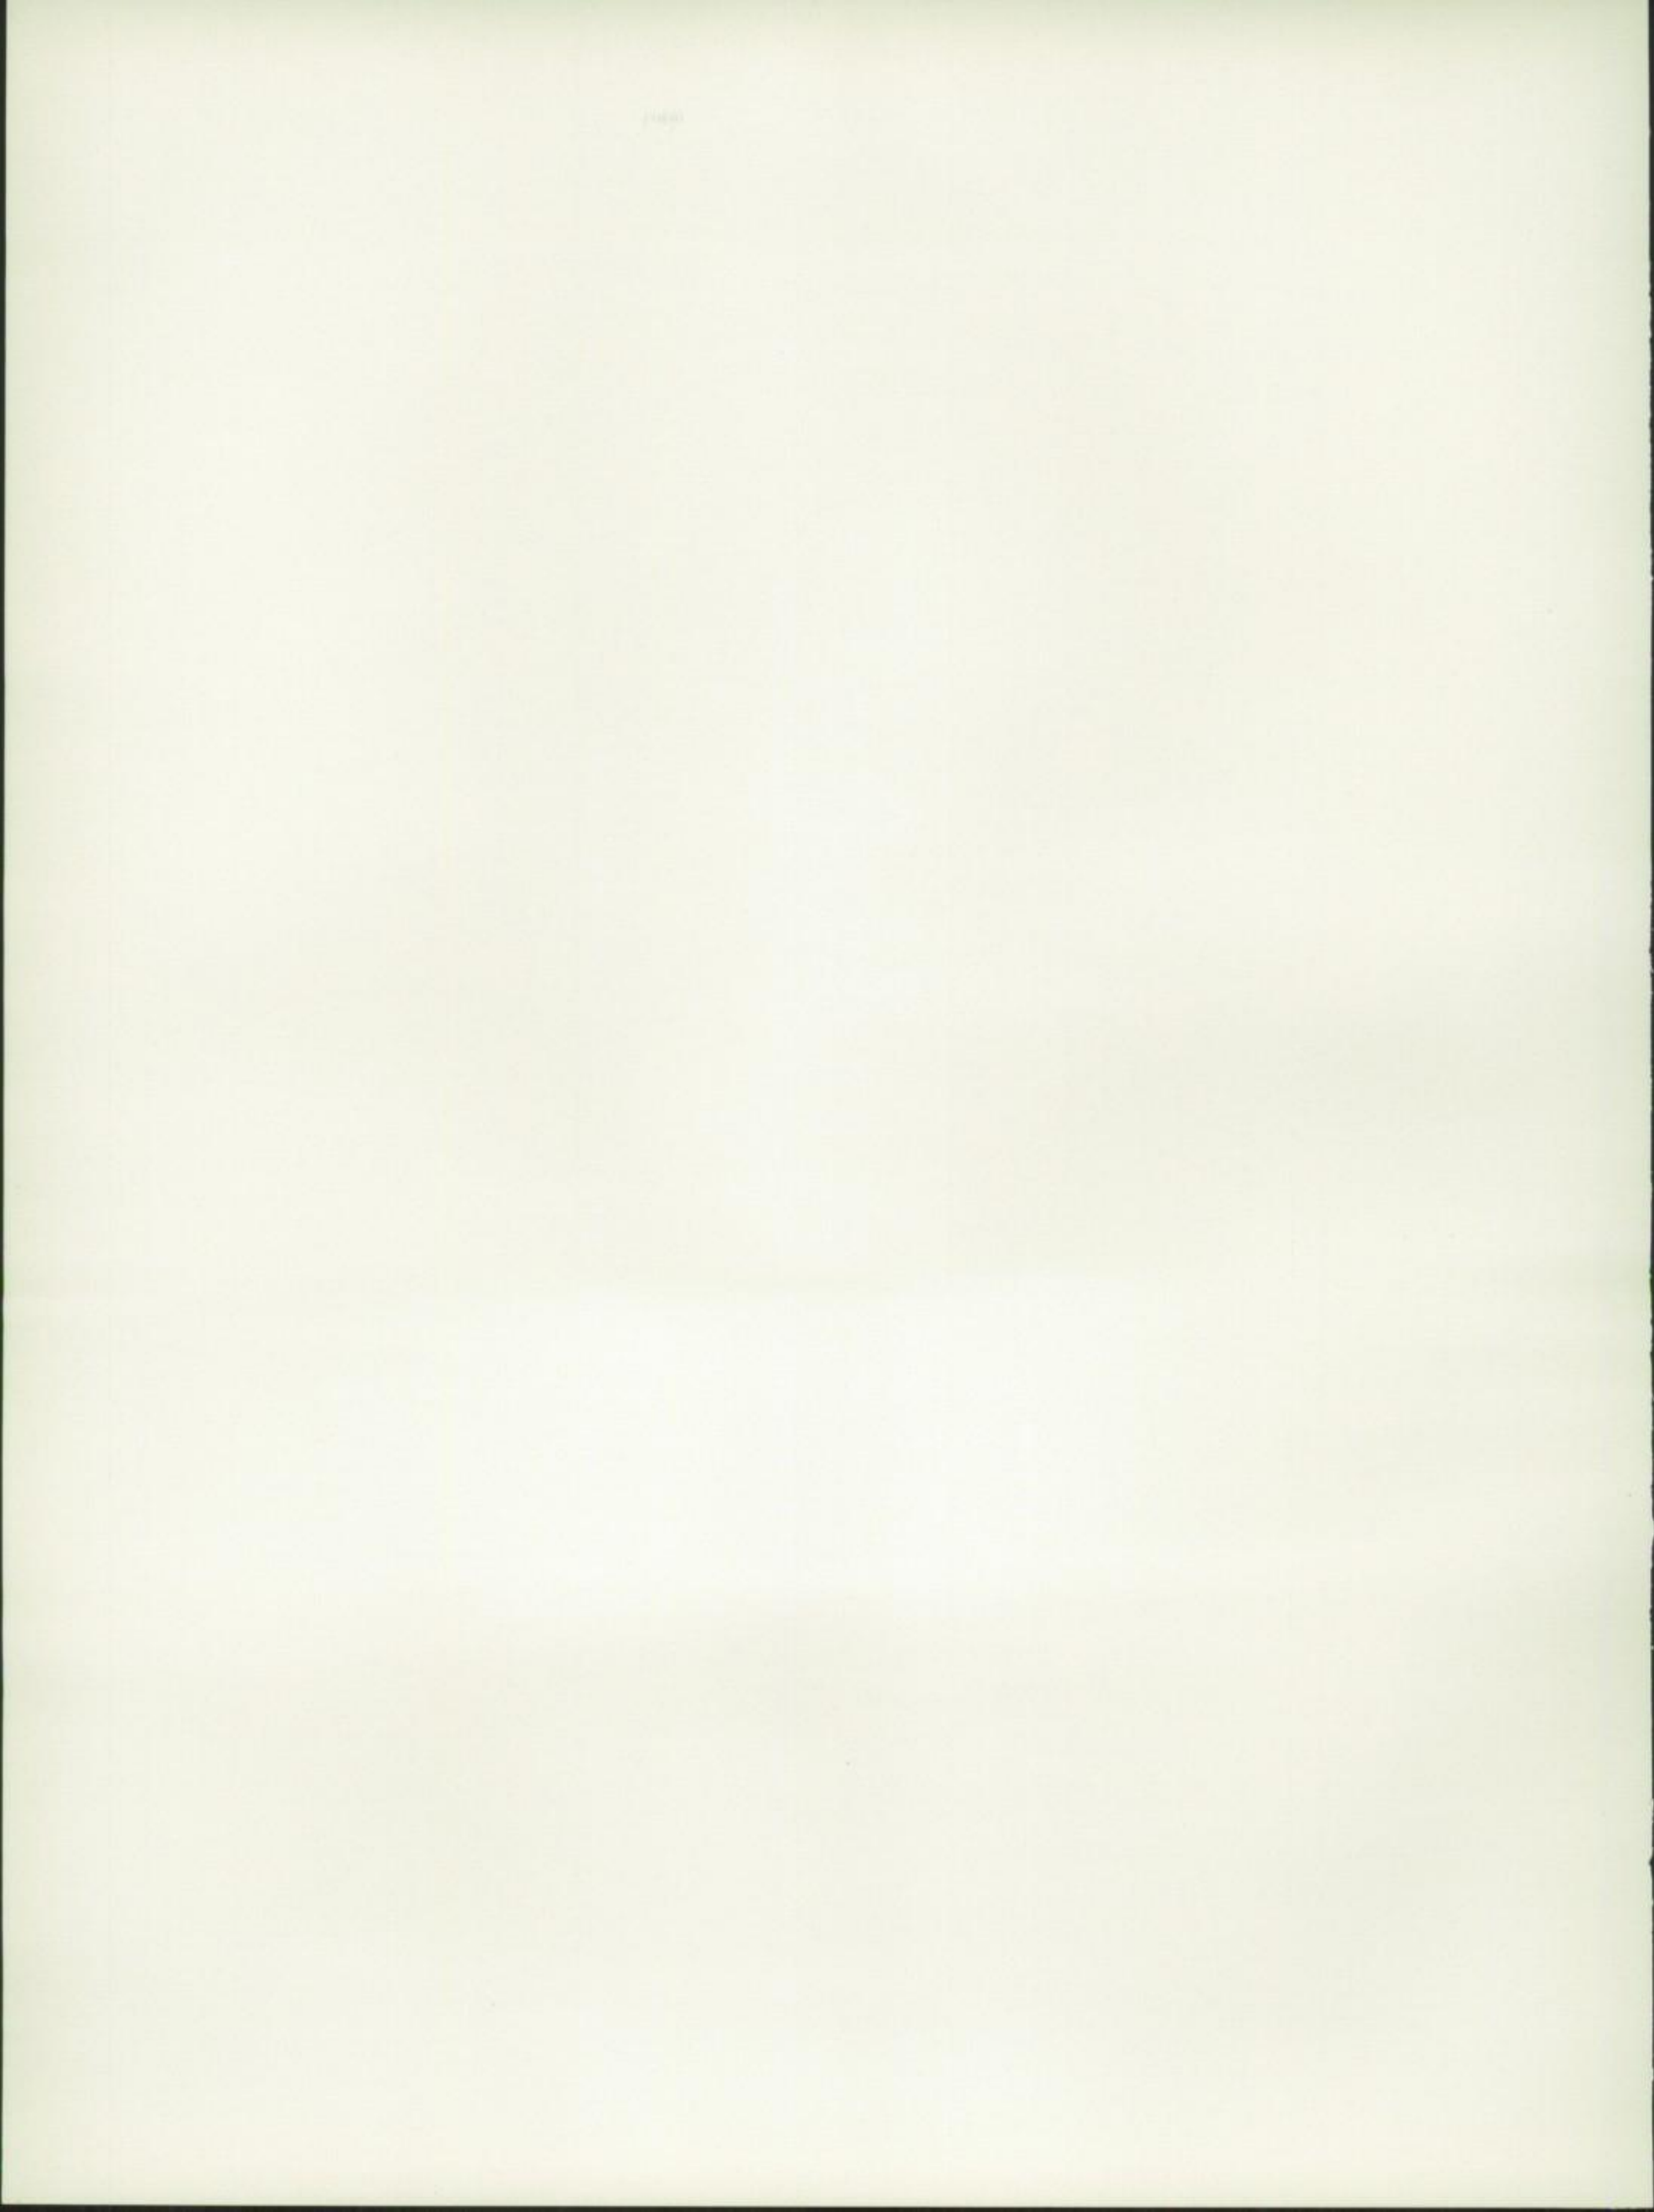

Mr. Foltz has been b-a-a-d?
